

LARGE FORMAT WATERJET

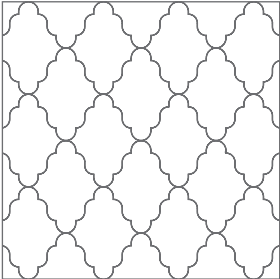

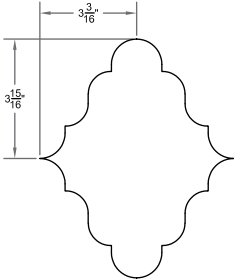

Nova Grey Scallop

- Stone is cut with a precise waterjet machine to deliver intricate large format designs. Ideal for interior feature flooring, entry and exit ways, or other high profile areas.
- All large waterjet projects include your choice of materials, three different pattern scales available, in our most popular formats.

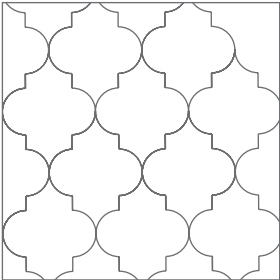

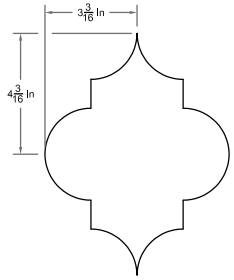

LARGE FORMAT WATERJET

- All items are priced into four groups.
 - When blending materials from different groups, the price will be calculated based on the use of the highest priced materials unless confirmed in advance.
 - Not all materials are available for all designs. Please check with Customer Service before ordering.
 - Standard lead times are six weeks from receipt of order approval and payment.
-
